Winfield School District's preschool program is an educational, play-based program that serves all students and focuses on the growth of the whole child. Our mission is to foster a positive attitude towards learning and develop the skills needed for children to be successful lifelong learners.

TIGER CUB PROGRAM

The Winfield Tiger Cub Preschool Program offers children ages 3-5, residing in School District 34 an exciting introduction to education in a mixed-age classroom. The program offers a developmentally appropriate curriculum, planned and led by certified early childhood teachers.

For program information, please contact LouAnne Ooton, program facilitator, at (630)909-4915 or looton@winfield34.org

For registration information, contact Kim Regalado, at (630)909-4903, or kregalado@winfield34.org

CURRICULUM

The Creative Curriculum is used to design a preschool learning environment that is uniquely suited to the way preschoolers learn. Classrooms are filled with intentional learning experiences that build on the prior knowledge of each student and promote social-emotional, physical, language, and cognitive development. Learning objectives are aligned with the Illinois Early Learning Standards.

Interest areas, available during choice time, are specifically designed to promote learning across all developmental areas as well as the content areas of Literacy, Mathematics, Science, Social Studies, the Arts, and technology.

Parents will receive progress reports three times per year.
